This image shows a vertical sheet of light blue lined paper. The paper is oriented vertically and features a series of horizontal black ruling lines spaced evenly down its length. The lines are parallel and extend across the width of the page, creating a series of horizontal bands for writing. The paper has a thin black border around its edges. There is no text or other markings on the page.

This image shows a vertical sheet of light blue lined paper. The paper is oriented vertically and features a series of horizontal black ruling lines spaced evenly down its length. The lines are parallel and extend across the width of the page. The background of the paper is a uniform light blue color. The sheet is framed by a thin black border.

The Conference is organized within

Decade of action for road safety 2021—2030
